

*A digital partnership between
the Peninsula Library System,
the San Mateo County Office of Education
and your local public library*

The Peninsula Library System, the San Mateo County Office of Education and your local public library are working together to ensure that every student in San Mateo County has a public library card. A library card is free, it can open doors to knowledge and it is an important tool for reading and educational success. With a library card students will be able to...

- check out books, CDs, DVDs and other library materials to help with homework and assignments.
- reserve materials from any of the over 30 public libraries in San Mateo County and the 3 community colleges online from school or home.
- access electronic resources and library databases 24 hours a day online at the library or from school or home.
- use computers for word processing and accessing the Internet in the library.

Please fill out and sign this application and return it to your school office.
