

Dear Valued Community Member,

We are reaching out to you in the hopes that you will consider supporting Cottonwood Creek Elementary School during our spring auction week (online and live auction event).

Cottonwood Creek Elementary is consistently rated as one of the top schools in Cherry Creek School District. We have incredible staff, a wonderfully diverse student body and a dedicated parent community. We take pride in having consistently attained the John Irwin School of Excellence Award and Governor's Distinguished Improvement Award.

Our Parent Teacher Organization (PTO) raises money during auction week (in addition to other events throughout the year) to cover things such as Teacher Assistant salaries, school enrichment programs, subscriptions, Chromebooks, and much more. The auction is our school's largest fundraiser. As such, we rely heavily on the support of those in our community.

On behalf of the PTO, we ask you to please consider supporting Cottonwood Creek Elementary School by contributing a product, a service, or a cash value donation. A description of your donated item will appear on the auction website during online auction week of **April 8 thru 15, 2020** and/or at the live auction on **Friday, April 17, 2020**. All donated items will be shared via electronic newsletter and/or paper flyers with our 475+ families prior to the events. All donations will be recognized on our PTO website which is seen by the entire Cottonwood Creek community.

We sincerely appreciate your generosity and commitment to our Cougar family. If you would like to make a donation, please complete the attached donation form or online at <https://cottonwoodcreek.ptopal.com>. Be sure to keep a copy for your records. We kindly ask all donations to be received by **March 7**. If you have any questions, please don't hesitate to contact our Auction Co-chairs Stacy Johnson at 720-201-5732 johnson_stacy@allergan.com, Rachel Schmela at 303-956-7860 rachelschmela@gmail.com or Cat Sinclair at 303-550-7279 csinclair529@gmail.com.
