

Dear Fellow 5th-Grade Parents,

Hard to believe, but the 5th-grade continuation ceremony is just a few short months away! As we prepare to send our kids to middle school, we'd love to send them off with some great memories of their time at Cottonwood Creek. This year's continuation video will feature multiple photos of each child from pre-k through 5th. We're asking that all parents please submit at least five in-focus photos of your child (action shots are fine, provided they are in-focus):

- 1 baby or toddler photo
- 1 kindie photo
- 1 current photo
- 2 photos that are your favorites from the years in-between

How to Submit Photos:

Before you submit photos, please rename each file with your child's teacher, followed by your child's first and last name, and photo #1-5 (e.g. Dennstedt_JasonSmaling1.jpg, Dennstedt_JasonSmaling2.jpg, etc.). **PLEASE DO NOT FORGET TO LABEL YOUR CHILD'S PHOTOS.**

- Upload to Google shared album: Login to your Gmail account and directly share your photos to the 5th-grade continuation album found here: <https://photos.app.goo.gl/NehukV7Hs6TiiuYJ6> PLEASE NOTE: You MUST be logged into a google account to share photos to this album. If you do not have a Gmail account, you can also use your child's Cherry Creek School District email account.
- Email to 5th-grade continuation committee: if you are unable to access the shared folder, you may email your photos to CottonwoodCreekContinuation@gmail.com. If you are emailing photos, please include your child's teacher and your child's first and last name in the email subject line.
- Send hard copy photos to school with your child: if neither option 1 nor 2 will work for you, you may send your child's photos to school with them in a large envelope marked with your child's teacher, your child's first and last name, and addressed to "5th-Grade Continuation Committee." We will scan the photos and return them to your child.
- All photos must be submitted no later than Sunday, March 8th.

Please don't hesitate to contact the Continuation Committee at CottonwoodCreekContinuation@gmail.com with any questions or concerns.

Thanks!
Continuation Committee
